Delegation to Colombia, March 22 – April 1, 2013

Hosted in Colombia by: The Marcha Patriótica, Fensuagro
and Lazos de Dignidad

How would you like to go on a delegation to Colombia hosted by the country's largest ongoing mobilization for peace? What if it were also hosted by the largest agricultural union in Colombia? Would you like a chance to meet with political prisoners and their families? And would you like to still have ample opportunity to go out and get a taste of the cultural vibrancy that makes up Colombia?

If that's the kind of delegation you're looking for, that's what we're offering!
